

Terms and Conditions of Use for Technolators

Effective Date: [3/10/2025]

Welcome to Technolators. By accessing and using our products and services, you agree to comply with the following terms and conditions. If you do not agree with these terms, we ask that you do not use our services.

1. Definitions

Technolators: Refers to the company dedicated to the design, manufacturing, and marketing of video game consoles and entertainment software development.

User: Any person who purchases, uses, or registers for Technolators' products and services.

Product: Video game consoles, programs, digital games, or other services provided by Technolators.

2. Acceptance of Terms

By using Technolators' products or services, the User fully accepts these terms. Technolators reserves the right to modify these terms at any time, recommending periodic review.

3. Registration and User Accounts

Some services require account creation. The User agrees to:

- Provide truthful and updated information.
- Maintain the confidentiality of their credentials.
- Assume responsibility for all activities conducted from their account.

4. Use of Products and Services

The User agrees to:

- Use products and services only for lawful purposes and in accordance with applicable legislation.
- Not perform reverse engineering, unauthorized modifications, or improper distribution of software.

5. Intellectual Property

All content, software, hardware, trademarks, logos, and materials associated with Technolators are protected by intellectual property rights. The User may not reproduce, copy, distribute, or modify such content without express authorization from Technolators.

6. Payments and Licenses

- Acquisition of products and services may involve payments.
- Prices and fees will be clearly communicated before completing the transaction.
- For software licenses, these are granted on a limited, non-exclusive, and revocable basis.

7. Warranties and Limitation of Liability

- Technolators guarantees that its products have been developed following quality standards.
- Technolators shall not be liable for direct, indirect, or consequential damages resulting from misuse of its products.
- In case of manufacturing defects, current warranty policies will apply.

8. Updates and Modifications

Technolators may update software, firmware, or service conditions at any time, aiming to improve User experience and product security.

9. Applicable Law

These terms are governed by the laws of [country/state]. Any dispute will be resolved in the competent courts of [city/state].
